

CONSTRUCTION NOTICE 6

WAIAWA NAVY WATERLINE PROJECT

Hawaiian Dredging Construction Company (HDCC), Inc., on behalf of the Naval Facilities Engineering Command (NAVFAC) Hawaii, started work on the Waiawa Navy Waterline Project for Joint Base Pearl Harbor-Hickam on August 12, 2019.

This phase of the project will involve reinforcing existing utilities along 2nd Street between Lehua Avenue and the UH Urban Garden. Sidewalks and parking will be restricted in the area. Residents and motorists near the project site are asked to observe all traffic signs, anticipate/plan for possible delays, and drive with caution. Project updates are available, 24/7 at www.waiawanavywaterline.com. All interested members of the public may sign up at the website to receive automatic project updates. HDCC and NAVFAC Hawaii will make every effort to provide timely project information to the local community throughout this project.

Please direct all questions or concerns during normal business hours to the Waiawa Navy Waterline Project Team, (808) 392-1617 or email info@waiawanavywaterline.com.

FULL PROJECT ROUTE:

Waihona St. to Lehua Ave.

WHAT TO EXPECT:

- Temporary traffic delays
- Temporary lane closures
- Temporary access closures
- Short-term street parking and lane restrictions
- Heavy equipment and workers on the roadway
- Noise, dust, and vibration

PHASE LOCATION:

2nd Street

PHASE START DATE:

May 26, 2020

CONSTRUCTION HOURS:

Monday - Friday
8:30 a.m. - 3:30 p.m.

APPROXIMATE PHASE COMPLETION:

10 days

Parking along the easement parcels north and south of 2nd Street will be restricted in the areas marked in red on the map below. Parking restrictions will begin on Tuesday, May 26, 2020 and last until Thursday, June 4, 2020. Parking will reopen as work progresses through the area. Barriers and signage will be placed in advance as a reminder of the upcoming work.
